New Partnerships Programme

E-EDUCATION
A-AWARENESS
A-ACTION

New Partnerships Programme

Aim: to work in partnership to increase the number of marginalised groups who gain a voice on individual and societal levels.

Training packages:

1. Behaviour Change
2. Advocacy through Interactive and Legislative Theatre (ILT)
3. Interactive Radio Drama (IRD)

An example of a New Partnership - Oxfam in DRC

The aim – to train staff from Oxfam and local partners in DRC how to use Legislative Theatre to enable community groups to advocate for their rights to power holders in the police and army.
